

Emergency Medical Information Card

Important personal details to keep in wallet or phone

Information	Write here
Name / age	
Emergency contact	
Blood group (if known)	
Major diagnoses	
Drug allergies	
Regular medicines	
Implants / devices	
Treating hospital / doctor	

Keep one copy in your wallet and a clear photo on your phone. Update it whenever medicines or diagnoses change.

This card helps responders but does not replace formal medical records or emergency evaluation.

Important: This resource is for general education and does not replace an individual medical consultation. Seek urgent medical care for severe, rapidly worsening or emergency symptoms.
